## COLLIERS ENGAGED TO SERVE AS OWNER'S PROJECT MANAGER FOR ROCKY HILL'S NEW INTERMEDIATE SCHOOL

Colliers is serving as the Owner's Project Manager for the Town of Rocky Hill's New Intermediate School Project which includes the construction of an 82,000 square foot school with a total project budget of \$48.3 Million.

Colliers will oversee every aspect of the project on behalf of the Town including planning, project development, design, project management, estimating, construction, commissioning, and close-out.

Colliers will work closely with the CT State Department of Education, Bureau of Grants Management, CT State Department of Administration Services, Division of Construction Services Office of School Facilities, members of the Intermediate School Building Committee, and all appropriate Town and Board of Education staff on all aspects of the project including the grant acquisition process, reimbursement applications, and management process.
